The next generation of performance sports drinks

Who is Hazardous Fluids?

Hazardous Fluids is a specialist beverage company, focused on partnering athletes that view training as a lifestyle. Our vision is simple: provide a range of premium products that support the needs of athletes in all power, action and endurance sports and support our belief that form should always follow function.

Since the soft-launch of Sportsdrink+, Hazardous Fluids has been swamped with inquiries from sportspeople, their management, and more recently, the public, creating a demand for our move into retail in the USA.

Manufactured for Hazardous Fluids, Inc. Balwyn, Victoria 3103 Australia. Product of USA. Sportsdrink+ Bodily Fluids is produced under license from Hazardous Fluids Pty Ltd, Australia. Life Sport System.
